

ROTARY FRIENDSHIP EXCHANGE 2004-2005

DISTRICT 4651 BRAZIL

Our District is planning a friendship exchange for Rotary's Centennial year with Florianopolis, Brazil, District 4651.

We are looking for 6 couples to visit several communities in the Florianopolis area of Brazil for two weeks in February, 2005.

We are also looking for host homes and for assistance with transportation and event planning for guest couples for the two weeks around the time of the Chicago convention in June, 2005.

The Rotary Friendship Exchange Program offers Rotarians and their partners an opportunity for reciprocal visits in the homes of Rotarian families in other countries. The goal is to advance international understanding, goodwill and peace.

Past District 7090 exchanges have included Australia, England, Japan, New Zealand, Sweden and South Africa.

Want to join us or to help us? Contact the chairperson by August 31, 2004.
